### PRIVATE MEDICAL INSTITUTE

Established by

Dr. J. C. YOUNG, in 1850.

No Cure. No Pay.

consultation by letter or otherwise, FREE.

BENJ. F. JOSELYN, M. D.

**THIS CELEBRATED INSTITUTE**  
has enjoyed on this Coast an uninterrupted  
success of eighteen years, and has become one of  
the most celebrated institutions of the age.  
The great number actually received and cured,  
place it in point of number of patients among the  
first of the world, and the success of its treat-  
ment second to none.

### PRIVATE DISEASES

In Males, and Irregularities in Females are the great  
destroyers of health. They insidiously attack the  
system, and gradually undermine and destroy it;  
they drive the blood from the cheeks, the lustre  
from the eye, the strength and vigor from the  
frame, they give pain and diseased offspring, and  
poison, through successive generations, the race of  
man. The marks can be seen in scrofula, Con-  
sumption, Cripples, the Idiots, the Paralytic, the  
Lunatic.

There is no more terrible scourge to the human  
race than those diseases arising from the contami-  
nated Venereal Poisons. The mildest form, by re-  
sulting to the blood, will ever and over the one af-  
flict, the sword of destruction that is liable at any  
moment to fall and blight—to utterly destroy—an  
earthly hope.

MERCURY, recognized as the most FATAL  
MEDICAL ENEMY to man, combining with the  
Venereal, doubles his dangers. Those who have  
been treated with that pernicious MINERAL Poi-  
SON, are not cured; the disease has only assumed  
a new form.

DO NOT BE SATISFIED WITH PARTIAL CURES  
That leaves the poison to crawl through the sys-  
tem, eating its way into the tissues and organs  
beneath the apparently smooth surface, to burst  
out in the future with a virulence that will battle  
the effects of medicine. When PERFECT CURES  
can be obtained by consulting a physician, whom long  
practice and thorough investigation into the causes  
of Diseases of the UINARY ORGANS, enable to  
determine at once the cause of the disease.

In all diseases entrusted to the Doctor's care,  
PERFECT, SPEEDY, and PERMANENT CURES,  
In all Cases Cures Guaranteed.

In Syphilis and its adjuncts, Gonorrhoea and  
accompanying diseases; in all disorders of the Blad-  
der, Kidneys and prostate; in all Weakness;  
Diseases of the Heart and Lungs; Dyspepsia; Indi-  
gestion; Impotency; Injunctive Consumption; and  
all diseases of the urinary organs in either sex, cure  
always guaranteed, or NO PAY required.

**SEMINAL WEAKNESS.**  
The young man who experiences that growing  
weakness in his muscular and mental organization  
should stop to consider whence it arises. He will  
find in the weakness of the blood, trembling of the  
limbs, disordered digestion, unaccountable failing  
of the powers of the mind, disquiet for society, dread  
of impending trouble, forebodings of evil, sleep-  
lessness, troubled and lacerating dreams, accom-  
panied by growing weakness, loss of muscular power,  
and numerous other symptoms of disorganization,  
the positive traces of that most terrible and de-  
structive of all diseases, Seminal Weakness—waiting  
away his powers, destroying his hope of life and  
manhood, and dragging him along the broken  
path of his existence, toward a premature and  
loathsome grave. To him who finds his life drif-  
ting out in the discharge of the vital principle of  
existence, in nocturnal and diurnal emissions, the  
mere cessation of the causes of its appearance  
brings no assurance of relief.

Marriage, that holy office, the safe-guard and  
hope of manhood, brings to such a one no hope of  
care, but adds to his misery in so much of her hap-  
piness, is a victim of his evil, and an innocent com-  
panion of his punishment. He adds to his misery  
and disorder until hope leaves him. There is no  
rescue except in proper and skillful treatment—  
Consult then, at once a physician whom long prac-  
tice and careful research has made him thoroughly  
conversant with every phase of the disease, those  
who have become the victims of solitary vices, that  
deadly, fascinating and destructible habit, which  
fills thousands of sick rooms with paralytics and  
consumptives, and hundreds of untimely graves  
with its malignant victims, should consult without  
a moment's delay, one who will sympathize with  
their sufferings. To such the Doctor would espe-  
cially recommend himself, giving to each and all,  
guarantees of a Perfect and Permanent Cure,  
without hindrance from Business, Change of Diet,  
or Fear of Exposure.

Do not forget the address. See below.

### Important to the Ladies.

When a female is in trouble or afflicted with dis-  
ease, and requires medical or surgical attendance,  
the enquiry should be, Where is there a physician  
who is fully competent to administer relief, and  
whose respectable standing in society recommends  
him to the confidence of the community? The Doc-  
tor, understanding how imperatively necessary  
these requirements are, feels called upon to inter-  
pose, and by calling the attention of the afflicted  
to the fact that he has been a Professor of Obstet-  
rics and Female Diseases for TWENTY YEARS, and  
a fully qualified to administer in all cases, both  
medically and surgically, not in a superficial  
manner, but in as thorough a manner as years of study  
and practice—both in hospitals and private fami-  
lies—can make, to save them from the hands of the  
unqualified, unscrupulous, and designing. There-  
fore families can rely upon him as upon a father.

All in affliction can find in him one who can feel  
and sympathize with, and befriend them in trouble  
—one in whose secrecy the utmost confidence can  
be placed. Consultation (By Letter or Otherwise)  
FREE. See address below.

**The Celebrated Female Remedies.**  
Compounded from the private prescriptions of Dr.  
Young, have now obtained a most extended popu-  
larity, and are correctly viewed to be the safest  
and surest remedies for the complaints for which  
they are applied. The constantly accruing testi-  
monials of their efficacy, declared them to be pre-  
eminently superior to their action.

No lady should be without these Renovating  
Agents. None genuine unless procured at this  
office. Sent by mail or Express to any part of the  
State.

### GREAT FEMALE MEDICINE.

The Greatest Discovery of this or any other Age.

### Preventive Powders for Married Ladies.

These powders will be found of essential value to  
those whose means, health, or other circumstan-  
ces do not permit them to increase the number of  
their family without inconvenience, suffering, and  
perhaps risk of life. This preparation is new, safe,  
infallible, convenient and simple, and cannot in-  
jure the health of the most delicate. It cures all  
nostrils, but gives strength and vigor. Morally  
considered it is of the highest utility, and sus-  
tained by the soundest principles of prudence and  
virtue. Their use should be avoided at certain  
times. Price \$10 a box. Sent to any part of the  
country perfectly safe from suspicion.

Remit the amount by Mail or Express, addressed  
to BENJ. F. JOSELYN, M. D.

### French Lunar.

Or, FEMALE MONTHLY PILLS.

These Pills are now acknowledged by the Medi-  
cal Fraternity to be the only safe, mild and ef-  
ficacious remedy to be depended on in long standing  
cases of suppression, irregularity, or stopping of  
the functions of nature, the neglect of which is the  
source of such deplorable effects on the female  
frame. In no case should these Pills be taken  
when the patient has reason to believe she is  
expecting. Price \$5. Remit the amount as above,  
and they will be forwarded with full directions for  
use, CURED AT HOME.

Patients residing in any part of the State, how-  
ever distant, who may desire medical advice on  
their respective cases, and who think proper to sub-  
mit a written statement of such in preference, to  
holding a personal interview, are assured that their  
communications will be held most sacred.

Letters and money must be addressed
